President's Message.

It is with the greatest pleasure that I welcome you all to the first ever Parade of the Golden Retriever Club of Queensland. Today's Parade marks the coming of age of the Club, confirming our official status as an affiliated breed club, and if the Parade lives up to the standard of club activities over the past three years it should be a resounding success.

As most of you will know we have a very creditable trophy table and I am sure competition today will be keen. To all exhibitors I wish the best of luck.

To the many members and friends who have worked so hard behind the scene to stage this parade - to our Judge, Mr Cousins, to Mr Field, our Parade Manager and to all those who have kindly given their services and expertise to stage this function, I express my sincere thanks on behalf of the Club.

My thanks are particularly directed to our hard working Secretary, Hope Phillipson, without whose constant attention to her duties this Parade may never have got off the ground.

Once again, welcome to all - and the best of luck!

Sgnd. JOHN ALLEN MC DOUGALL  
PRESIDENT.
