2016 Championship Show Results, critique and photos

Please extend my heartfelt thanks to your club members. The Hawaiian theme was priceless, with the wilting palm trees and pineapples for the dogs to pee on. Your generous hospitality and gifts made lasting memories. I would like to extend a special thank you to Dave and Lyn Hailwood, my host and hostess, and Marilyn Morphett for sharing her expertise as my steward.

The Golden Retrievers in your country appear to be in good hands. It was exceptional to see so many beautiful heads with kind expressions, correct layback in fronts with forechest and return of upper arms, workmanlike, functional coats and level motion. In many classes, the placements could have been switched on any given day.

My first champion was an Australian import so it felt like I had gone full circle when asked to judge your specialty. Not surprisingly, I was presented with a deep concentration of quality. It was truly a privilege to judge your beautiful Golden Retrievers. Thank you, sincerely, for the honor.
